Dear Prospective AIT Student:

On behalf of Professor Francis Allotey, Chairman of the AIT Board of Trustees, and on behalf of the members of the Board of Trustees, the Faculty and Staff of AIT, I want to take this opportunity to express our appreciation to you for the interest you have shown in AIT.

We are delighted that you are applying to pursue your university education with us. You will see from the questions we ask that we are interested in who you are, and in your academic and other accomplishments. Please do take your time to study the questions asked and compose your responses carefully. The best applications come from students who have spent time on their applications, editing them and refining their key responses. Please endeavour to give the application form your best attention

Let me assure you that we on our part will also read your completed application form thoughtfully, deliberately, and fairly. In the event that you make it to AIT, we will do all we can to provide you with a quality education utilizing our technological and learning resources to deliver your chosen program smartly and innovatively. We are committed to educating and training of tomorrow's global leaders in all disciplines and fields. Our highest obligation as a university is to prepare our students who will live most of their lives in the 21st Century --- a century that will no doubt provide our graduates with significant new challenges and opportunities.

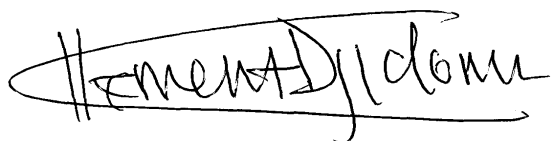

*At AIT, we believe that we are preparing our students for the work-place, the economy, and the society of the future. The future is technology, and AIT is the **University of the Future**. – We provide technology-focused quality university education and training, specially trademarked and customized for the future.*

We wish you well, and we eagerly look forward to having you at AIT.

Please let us know if we can be of further help to you.

God Bless You!

Best regards,
