

ADVANCED PHD RESEARCH SEMINARS & WORKSHOPS

AIT – is a leading PhD Research University with over 250 PhD students and candidates enrolled on its accredited [NAB Approved] PhD programs in Business Administration; Management; Engineering; Information Technology; Education. Based on its track record in successfully delivering internationally-benchmarked PhD programs, AIT is running the following PhD Research Seminars/Workshops targeted at: Freshmen PhD Students, Advanced-Stage PhD Candidates, PhD Aspirants & MPhil Candidates.

WRITING A SUCCESSFUL PHD RESEARCH PROPOSAL

Topics: How to Identify and Compose a PhD Research Topic; Writing the Research Background and Problem Statement; Writing Research Objectives and Research Questions; Detailing the Research Methodology and Expected Outcomes of the Research; Documenting the Justification and the Possible Significance of the Proposed Research

Target Group: Freshmen PhD Students; PhD Aspirants. **Duration:** 2 Weekend (Sat.) Sessions or 2 Working Day Sessions. **Fees:** Gh¢450 (Inclusive Learning Materials/Notes & Meals)

HOW TO DO A SUCCESSFUL PHD RESEARCH

Topics: What is PhD Research; The PhD Thesis – In a Nutshell; Types of PhD Research; The Expectations of PhD Research; How to Develop Your PhD Research Skills; How to Conduct Your PhD Research; How Not to Write a PhD Thesis; How to Develop and Achieve Originality in PhD Research; What Makes a Good PhD Thesis; Guide to Writing the PhD Thesis; How to Work with your PhD Supervisor; Managing Your Time for Successful PhD Completion

Target Group: Freshmen & Continuing PhD Candidates; PhD Aspirants. MPhil Candidates. **Duration:** 3 Weekend (Sat.) Sessions or 3 Working Day Sessions. **Fees:** Gh¢600 (Inclusive Learning Materials/Notes & Meals)

CONDUCTING AND WRITING GOOD PHD LEVEL LITERATURE REVIEW

Topics: The Purpose of PhD Literature Review and How to Conduct it; Mandatory Sessions of a Literature Review Chapter; Guiding your Literature Review with a Theoretical and the Conceptual Framework; How Not to Write a Literature Review Chapter; The Literature Review Lexicon; What the External Examiners are looking for in a Literature Review Chapter; Using the Literature Review to Establish the Research Gap – How the Research will Expand, Revise, Extend and Contribute to Knowledge and Scholarship.

Target Group: Freshmen PhD Students, Advanced-Stage PhD Candidates; PhD Aspirants. MPhil Candidates. **Duration:** 3 Weekend (Sat.) Sessions or 3 Working Day Sessions. **Fees:** Gh¢600 (Inclusive Learning Materials/Notes & Meals)

ADVANCED STATISTICAL ANALYSIS METHODS FOR PHD LEVEL RESEARCH

Topics: Elements of the Research Methodology – The What, Why and the How Questions; Qualitative vrs. Quantitative Research Approaches/Methods; How to do Survey Research and Questionnaire Design & Field Study; Review of Advanced Statistical Analysis Methods/Techniques for PhD Research; Identifying Appropriate Statistical Methods to Address Your Research Questions; Why External Examiners Consider Descriptive Statistics inadequate for PhD level Statistical Analysis?; Going Beyond Descriptive Statistics to Identify and Use Appropriate Advanced Statistical Methods/Techniques for Validating, Testing, Analysis & Presentation of Study Results and Findings

Target Group: Freshmen PhD Students, Advanced-Stage PhD Candidates; PhD Aspirants; MPhil Candidates. **Duration:** 5 Weekend (Sat.) Sessions or 5 Working Day Sessions. **Fees:** Gh¢950 (Inclusive Learning Materials/Notes & Meals)

HOW TO WRITE SUCCESSFUL ACADEMIC/RESEARCH JOURNAL ARTICLES

Topics: Types of Research Papers/Articles; Acquiring the Skills to Write and Publish Quality Journal Articles; Knowing the Expectations of the Reviewers & Editors; The Six Basic Questions to be Addressed in a Scientific/Research Article; Knowing what goes into the Various Sections of a Research Paper/Article [Abstract, Introduction, Methodology/Materials and Methods, Results/Findings, Discussion and Conclusions]; Responding to Reviewers Comments and Suggestions

Target Group: Freshmen PhD Students, Advanced-Stage PhD Candidates; PhD Aspirants. **Duration:** 2 Weekend (Sat.) Sessions or 2 Working Day Sessions. **Fees:** Gh¢450 (Inclusive Learning Materials/Notes & Meals)

HOW TO FINALISE AND DEFEND YOUR PHD THESIS

Topics: Guide to Revising and Finalizing key Chapters of Your Final PhD Thesis: [Introduction; Literature Review; Research Methodology; Presentation & Analysis of Results; Discussion of Study Results; Conclusion Chapters]; Structure-Level PhD Thesis Revision Techniques; How to Show that you have filled the Identified Research Gap and made an Original Contribution to Knowledge; Meeting the Expectations of the External Examiners; Preparing for Your Final Viva/Voce (including a Mock Viva Video Session); PhD Examiners' Reports – How they Look Like

Target Group: Advanced-Stage PhD Candidates. **Duration:** 2 Weekend (Sat.) Sessions or 2 Working Day Sessions. **Fees:** Gh¢450 (Inclusive Learning Materials/Notes & Meals)

AIT...This is Where You Want to go to University

To Apply, visit our Website www.ait.university/phd to download the application form Or Send an e-mail to phd@ait.university. You can also obtain the Application Form at our Cantonments Campus or Seaview Campus, Weija

For further Enquiries, **Call: 028-8181817, 028-9181817, 030-2786053**
